Fellow Rotarians

I'll start with the Cluster Group meeting. As you know the Cluster Group is made up of our "local clubs" and we meet monthly under Assistant Governor Peter Sullivan. Arising from that meeting yesterday morning.

- For those of you that remember the Brisbane 150 BBQ the Lions club are in the process of sending us their cheque making a total donation of something in the vicinity of \$650. As the money is all going to Foodbank that's an awful lot of high protein bake beans. No jokes Bennett.
- The cheques from the car park day are currently being distributed so something in the vicinity of \$1600 will be deposited into our account shortly. Well done for those who were able to turn out.
- All of the Clubs reported a significant drop in membership with one, Brisbane North, having handed in their Charter due to their inability to find sufficient members willing to take on Board roles and or otherwise assist in running the club.
- We are the only club to show a net increase having recruited 8 and lost three although we have another prospective member in the wings.
- There is also a marked increase of members questioning where their funding is being spent and or the value of their weekly Rotary fees which may reflect the economic times and or simply an ageing cohort of Rotarians having to watch their dollars.
- The incoming President's are keen to share notification of Rotary activities so that all members in all our clubs know what activities are being undertaken by the various clubs in the cluster group. This is simply an electronic notification system and hopefully they will carry through with this next year.
- Peter Sullivan is staying on in his role of coordinator next year so we look forward to seeing more of Peter back at our Club. He does a great job spreading the word on what the various clubs are doing and promoting joint Rotary projects between the clubs.

Moving on thank you to everyone who turned out to assist in the Salvation Army appeal last Sunday. Counting money is not a bad way to spend some idle time. We all know that no one seems to have idle time any more so thank you all.

Nobody is counting, least of all myself, but I simply make the point that after today there will be just three more meetings before I return to being Ordinary Member Vic.

JESUS CHRIST Superstar - The Rock Opera – Fri 27 Aug 2010

By Andrew Lloyd Webber and Tim Rice At the Playhouse - \$50ea
Large cast in colourful costumes recall in song the last few days of Jesus' life. Judas: "Jesus Christ superstar, how do we know you're who you say you are?". Mary Magdelene: "I don't know how to love him - he moves me so". No sermonising - just the unfolding tragedy. Only the 1970's could produce such a wonder.
