HOT AIR

District 9600
Serving the Heart of Brisbane
8 July 2010

FELLOW ROTARIANS

Welcome to the first Hot Air of the new Rotary Year. Last Friday 2010 we celebrated the Club Change-over ('The Bogan Street Bash') There were sixty-eight of us and we all had a great time.

It was an opportunity for the club to recognise members who epitomise the Rotary ideal of Service above Self and we were all honoured to witness the presentation of our highest award; The Paul Harris Fellowship to both Ken White and Greg Pearson. Two worthy and popular recipients.

We were also able to reflect on our great achievements during Vic's year - A water tank at Rombo Primary in Tanzania, continuing support for inner city causes like Boundary Street BRIC Housing, Albert Park Flexi School, Cerebral Palsy picnic in the park, the Salvos, Clean-up Australia and many more. We supported RYLA and RIPEN students and helped a PNG teacher visit Finland as part of the Group Study Exchange. We funded Shelter-boxes and helped the Grey Man Foundation. There was significant financial support to The Heart Foundation and ROMAC through the Art Show along with all manner of assistance to other community groups. Our continuing support of the Rotary Foundation is a real commitment to Peace and Global understanding.

I mentioned at Change-over that one of the truly amazing things about our organisation is that on the 30th of June each year Rotary hits the reset/refresh button and our entire hierarchy changes from the World President down to every club in Rotary throughout world. This action re-invigorates the whole of our movement and probably goes some way in explaining why Rotary still thrives 106 years on.

One of my favourite quotes comes from the man whose face was the best known face on the planet in the 1920's and early '30's. It is as simple as it is true;

'A day without laughter is a day wasted'
-Sir Charles Spencer Chaplin (1889 -1977)

I thank you for the confidence you have shown in electing me President for 2010-2011; I will do my very best not to let you down....and I also undertake to ensure that at least Thursday will not be a wasted day!

Yours in Rotary
Kit

JESUS CHRIST Superstar - The Rock Opera – Fri 27 Aug 2010

By Andrew Lloyd Webber and Tim Rice
At the Playhouse – Tickets - \$50ea (email Phil Breene)
Large cast in colourful costumes recall in song the last few days of Jesus' life. Judas: "Jesus Christ superstar, how do we know you're who you say you are?". Mary Magdelene: "I don't know how to love him - he moves me so". No sermonising - just the unfolding tragedy. Only the 1970's could produce such a wonder.
