HOT AIR

District 9600
Serving the Heart of Brisbane
03 June 2010

Fellow Rotarians

It occurs to me as I write this that I have just two of these to go. Tuesday, Wednesday is often Rotary catch up day with letters, writing up my bit for Hot Air and review of various Rotary emails and Newsletters. District Governor Walter Buchan is winding down his year with a blockbuster 7 page Newsletter. Of note to our club in Walter's latest epistle is that we are now the second largest club in our District with 58 members. Planetarium remains the largest club on 68 having lost overall two members this year. Our projected growth should place us as the largest club in District 9600 within the next 1 – 2 years.

Just a reminder that next week is the combined club meeting for the Art Show Presentation. Stones corner is sending 7, the Heart Foundation 4 and we are waiting on numbers from the Art Show Committee and Hamilton.

The last meeting of the year is scheduled for June 24th as a Club Assembly. I will summarise activities for the year and email to all members prior to the date to allow more time to look at President Elect Kit Bennett's year. I think it's important that we not only report back as to what we have been doing this year but that Kit gets some direction from the Club on where we want to go in his year.

You all joined Rotary for a reason. You are all on a Committee. These Committee's are renewed and reallocated each year. President Elect Kit has already asked what committee you want to be on. If you have a specific interest in a specific area, and many of us do, please let Kit or myself know which Committee you want to be on. Likewise if you have thoughts about a special project let us know. We don't hold collective wisdom on Club Activities. If we can help you by getting something up to the Board as a club project we will.

Finally, have you booked for the Bogan Street Bash.

Yours in Rotary

ST JUDES – by Gemma Sisia

What a lovely surprise it was to return home from my tour and see how many of you have supported the 2010 Student Appeal. Not far to go to ensure that we have all the bricks to build classrooms and boarding houses for next years' enrolment. A problem shared is a problem halved and having just met with so many new and old friends in Australia, New Zealand and the UAE I have faith we'll achieve this goal. I really hope you enjoy my April newsletter-it has almost 100 pictures in it!!

It is very exciting to announce the success of the School of St Jude Daily Diary which has just reached 5,000 friends.....we've added a great new video to celebrate. Please note that you do NOT have to have a facebook account to read our schools daily diary-you simply have to click on the link above every day! But if you are on Facebook then make sure you are our friend.

In June we will host the members of our Australian St Jude's Board. We also look forward to entertaining three separate St Jude's scheduled tour groups in June, July and the last in October, which still has places remaining.

In November we will launch the first ever St Jude's Mount Kili Challenge We will be welcoming two very special new supporters of St Jude's, Felicity and Tom Harley. Felicity, the Editor of Women's Health magazine and Tom, the former AFL Geelong champion, both TV personalities have agreed to join the climb to raise money and the profile of the school. Fancy yourself on top of Africa's highest mountain with them? Thank you, thank you, thank you.

JESUS CHRIST Superstar - The Rock Opera – Fri 27 Aug 2010

By Andrew Lloyd Webber and Tim Rice At the Playhouse - \$50ea
Large cast in colourful costumes recall in song the last few days of Jesus' life. Judas: "Jesus Christ superstar, how do we know you're who you say you are?". Mary Magdelene: "I don't know how to love him - he moves me so". No sermonising - just the unfolding tragedy. Only the 1970's could produce such a wonder.
