Fellow Rotarians

I'll start today by thanking everyone who assisted at the car parking for the opening of the second Gateway Bridge last Sunday. You could see from the television reports that night that the opening was a great success with over 100,000 people walking over the bridge. Many of those walkers used our car parks and paid \$4.00 for the privilege. While I don't have the exact dollar figures at this stage the three car parks seemed to be flat out all day. We were still taking money right up to just before the last shuttle bus left for the bridge at 3pm.

We had the first of our two combined Board meetings on Monday night to wrap up this year's activities and to start the planning for Kit's year. Following on from the presentation by the Albert Park Flexi School last week Steve Settle addressed the Board on future directions and possible fund raising activities associated with the school.

There is a great deal of support for the Albert Park Flexi School project from within the club and our club support for the school will continue in the coming year. We are planning a number of activities and these will roll out as the year progresses.

I sent everyone a copy of the invitation from the Rotary Club of Stones Corner to join them in their 50th Anniversary dinner at the Lennons Hotel, 66 – 76 Queen Street. Unfortunately I am away that weekend but I encourage anyone interested to try and make up a table and attend. If anyone is interested in attending or making up a table please contact Stones Corner direct.

Planning is well advanced for our social event of the year. Yes, changeover is with us in just six short weeks and that means after today we have just five meetings left in this Rotary year. Greg's speakers, Art Show Presentations and a Club Assembly mean we will be busy right through to the end. Don't miss the Club Assembly scheduled for June 24th. This will be your opportunity to have your say in the Club's future direction. I will send more information out in due course.

Yours in Rotary - President Vic
