Fellow Rotarians

Today is the last meeting for May and with the Art Show Cheque presentations and the Club Assembly we have just two more ordinary meetings left in this Rotary year.

In the back ground there has been some work going on by Mark Lateo, Barry Cooper and Gary McDonald in relation to our website and the guys hope to roll the new web site out early next month. Websites are so important particularly in attracting members. It's fair to say that over half of our new members for this year found us through our website.

I don't think all of us are fully aware of the work that goes on in the background by many of our members. People like Mark and Barry work away on keeping the membership list updated and our website up to date and relevant. Joy spends a lot of time ensuring our records are maintained with the accuracy required and reporting to Rotary International. Steve Settle keeps our liaison going with the Albert Park Flexi School and of course the various Club Directors and Office Holders are all free with their time attending meetings every month, running their committees and providing their valuable input. Next time you receive an email from Secretary Kym just note the time. While many of us are feet up watching TV or have retired for the night Kym will be reading and redirecting Rotary emails, notifying members of important issues relating to Rotary and keeping the paperwork ticking over. Thank you all for your valuable work and support.

Just by way of gossip I was in Gladstone on Monday talking to a Rotarian whose club has recently opened their doors to women members. Two of the old guard left in some sort of protest to be replaced by an influx of five women. Looking at the success of our club I really can't see what the issue is with some of these clubs. The sooner they integrate the sooner their clubs will grow.

It was great to hear last week that the Shelter Box Project has overcome its recent difficulties and Shelter Box is back doing what it does best and that is providing immediate relief in disaster situations. At this early stage our end of year Shelter Box Project has raised sufficient funding for four Shelter Boxes. If you want to donate quietly toward this cause please advise myself or the Treasurer Shanna. Lindsay will keep this project to the front of our consciousness over the next few weeks as we head into our final month. Yours in Rotary - President Vic

JESUS CHRIST Superstar - The Rock Opera – Fri 27 Aug 2010

By Andrew Lloyd Webber and Tim Rice At the Playhouse - \$50ea
Large cast in colourful costumes recall in song the last few days of
Jesus' life. Judas: "Jesus Christ superstar, how do we know you're
who you say you are?". Mary Magdelene: "I don't know how to love
him - he moves me so". No sermonising - just the unfolding tragedy.
Only the 1970's could produce such a wonder.
